

### **Stone Veneer Installation**

(Installation of Stone Veneer – Approx. 100 sq. ft.)

**Date:** 8/12/2025

Hello Mr Henry Riveros,

Thank you for considering us for your upcoming stone veneer project. Below is a simple outline of the proposed work:

#### **Scope of Work**

- Install approximately **100 square feet** of stone veneer over the designated area.
- Work will include surface preparation, installation of stone veneer, and clean-up upon completion.

#### **Pricing (Time & Material Basis)**

- **Labor:** 1 man @ \$75/hour. (Labor Costs approximately \$1800-\$3000)
- **Materials:** Estimated at \$1,200 (stone veneer, mortar, bonding agents, etc.).

#### **Estimated Duration**

- Approximately **3-5 working days** from start to completion.
- Weather and site conditions may affect final timing.

#### **Notes**

- Pricing is based on actual hours worked and materials used; final cost will reflect these totals.
- Any changes to the scope or additional requests will be discussed and approved before proceeding.

We look forward to working with you to bring your stone veneer project to life. Please let me know if you'd like to move forward so I can send you over an agreement.

Sincerely,

A handwritten signature in black ink that reads 'John Carrion'.
